one scheduled appointment

### SMALL GROUPS

6 weekly gatherings of small groups formed from those who completed the Workshop will follow here at Saint Bernadette, according to the availability of participants. Most likely, we will pick two different times each week when groups will gather.

It is during the small group discernment process that we become truly aware of how God is working through us with the gifts he has given. Groups may wish to continue even beyond the six week process with prayer and study.

## The Called & Gifted Workshop toward becoming Intentional Disciples.

### Discover God's Call for Your Life

God is calling you to a unique purpose in life. A work of love that only you can do. Discern your spiritual gifts and begin to discern God's call. You have received gifts in Baptism and Confirmation through which God intends his love to reach others. Come and discover these gifts!

The Called and Gifted Workshop is a two-day live presentation which includes Church teaching on the laity and lay apostleship, the nature of gifts, call and vocation, and how to undertake the process of discernment.

The Called & Gifted™ Discernment Process has been used since 1993 by over 75,000 lay, ordained, and religious Catholics and other Christians around the world. The Called & Gifted™ process is designed to help Christians discern the presence of charisms in their life.

Called & Gifted™ is a three-part discernment process intended to help lay Catholics discern their personal role in the mission of the Church. All three parts of the process are necessary to determine where you are gifted. Part one is the Called and Gifted workshop, this workshop lays the foundation for the beginning of discernment. Part two is the One Hour Gifts interview, this is an invaluable part of the process. Part three, the substance of the discernment process. These final steps will teach you how to develop charism experiments and how to evaluate your results. The last part of this process will teach you how to identify ways you learned to control life as a child that get in the way of using your charisms as an adult.
